

|   |   |          |             |
|---|---|----------|-------------|
| <b>Purpose</b>  | With this power of attorney, the policyholder authorises the real estate management firm named in the form to manage the company's insurance policies and/or claims in electronic channels as well as telephone and office channels.<br><br>The authorisation gives the authorised person the same right to manage the company's insurance policies and claims as the company has. The authorisation also entitles to terminate insurance policies, sign new agreements or make amendments to them. |          |             |
| <b>Period of validity of the issuer</b>   | Company name  |          | Business ID |
|   | Address   | Postcode | Town/city   |
|   | Phone   | Email    |             |
| <b>Recipient of authorisation/ Real estate management firm's representative</b> | Company name  |          | Business ID |
|   | Address   | Postcode | Town/city   |
|   | Phone   | Email    |             |
| <b>Scope of the power of attorney</b>   | The power of attorney gives the right to manage all types of insurance policies and claims.   |          |             |
|   | Can the recipient of authorisation manage claims on the op.fi service? (excluding personal injuries)<br><input type="checkbox"/> Yes <input type="checkbox"/> No  |          |             |
|   | This power of attorney supersedes any previous authorisations issued on the matter. This change will take effect on the date of signing the agreement.  |          |             |
| <b>Signature</b>  | Place and date  |          |             |
|   | Principal's signature and name in print/block letter  |          |             |

In addition to the power of attorney signed by the customer, the real estate management firm must draw up its own Digital Agreement for Companies at op.fi and choose the Insurance services for real estate management firm customers as the service. Remember your online security: always type the address into your browser's address bar yourself. Don't use a search engine when logging in to the service.

You can send a power of attorney form either by sending a message on the op.fi service or by sending post to:
