

## FINAL TERMS

**MiFID II product governance / Professional investors and eligible counterparties only target market** – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Instruments has led to the conclusion that: (i) the target market for the Instruments is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "**MiFID II**"); and (ii) all channels for distribution of the Instruments to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Instruments (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Instruments (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

**Prohibition of Sales to Belgian Consumers** – The Instruments are not intended to be offered, sold or resold, transferred or delivered or otherwise made available to, and should not be offered, sold or resold, transferred or delivered or otherwise made available to, any Belgian Consumer within the meaning of the Belgian Code of Economic Law, as amended from time to time (*Wetboek van 28 februari 2013 van economisch recht/Code du 28 février 2013 de droit économique*).
