According to the preliminary results of the Subsequent Offer Period, the shares tendered during the Subsequent Offer Period represent approximately 1.88 percent of all the shares and voting rights in Affecto (excluding shares owned by Affecto or any of its subsidiaries). Together with the shares tendered during the actual offer period, the shares tendered during the Subsequent Offer Period represent approximately 96.67 percent of all the shares and voting rights in Affecto (excluding shares owned by Affecto or any of its subsidiaries).

The final result of the Subsequent Offer Period and the Tender Offer will be confirmed and announced on or about 20 October 2017.
