*Change in ratio

Joint Liability, Deposit Insurance and Investors' Compensation

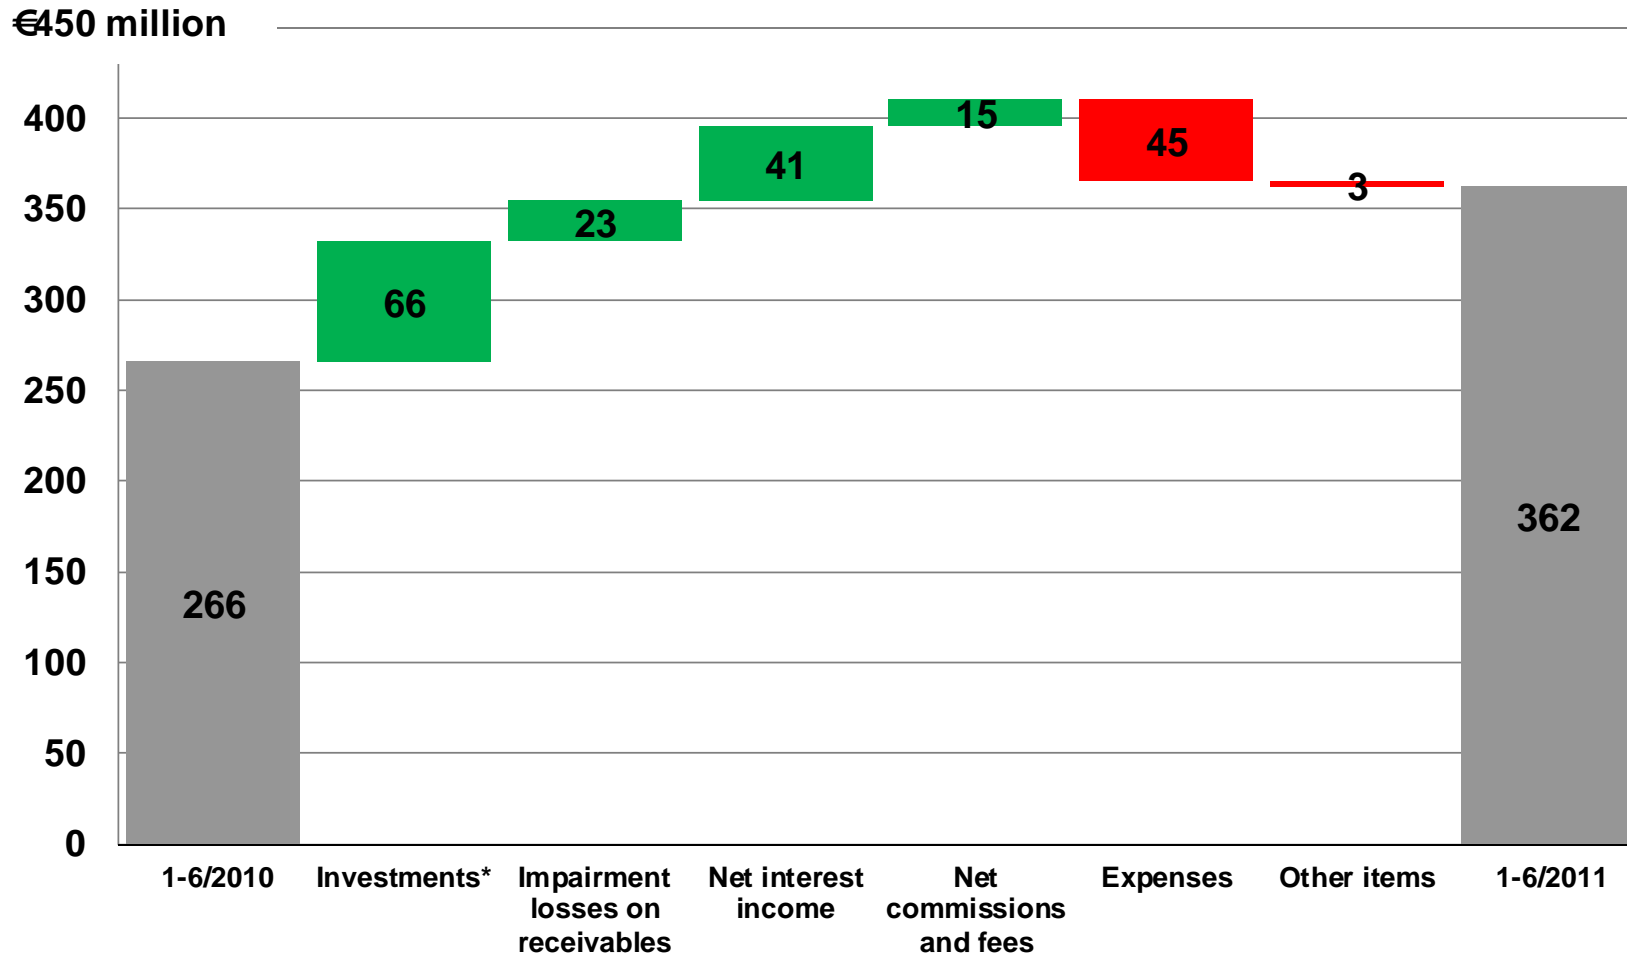

- Under the Laki talletuspankkien yhteenliittymästä Act (the Act on the Amalgamation of Deposit Banks), the amalgamation of the cooperative banks comprises the organisation's central institution (OP-Pohjola Group Central Cooperative), its member credit institutions and the companies belonging to their consolidation groups as well as credit and financial institutions and service companies in which the above-mentioned entities together hold more than half of the total votes.
- The central institution's members at the end of the report period comprised OP-Pohjola Group's member cooperative banks as well as Pohjola Bank plc, Helsinki OP Bank Plc, OP Mortgage Bank and OP-Kotipankki Oyj. OP-Pohjola Group's insurance companies and OP-Services Ltd do not fall within the scope of joint liability.
- By virtue of the Act on the Amalgamation of Deposit Banks, the central institution has both the right to control its credit institutions and the obligation to supervise their operations. The amalgamation of deposit banks is supervised on a consolidated basis. As laid down in applicable law, the member credit institutions and OP-Pohjola Group Central Cooperative are ultimately jointly and severally liable for each other's debts and commitments
- Deposit banks belonging to OP-Pohjola Group, i.e. its member cooperative banks, Pohjola Bank plc, Helsinki OP Bank Plc and OP-Kotipankki Oyj, are regarded as a single bank with respect to deposit insurance. Under legislation governing the Investors' Compensation Fund, OP-Pohjola Group is also considered a single entity in respect of investors' compensation.

Q2

Capital Adequacy

Two Capital Adequacy Ratios

Consolidated capital adequacy = capital adequacy of the amalgamation of cooperative banks

- The Group's operations are based on the Act on the Amalgamation of Deposit Banks that came into effect on 1 July 2010. In the first half of 2010, the Group's operations were still regulated by provisions in the Act on Cooperative Banks and Other Cooperative Institutions.
- The Act on the Amalgamation of Deposit Banks prescribes a minimum capital requirement for an amalgamation of cooperative banks. This is calculated using the provisions in the Act on Credit Institutions.
- The amalgamation of cooperative banks consists of the amalgamation's central institution (OP-Pohjola Group Central Cooperative), its member credit institutions and the companies belonging to their consolidation groups. Although OP-Pohjola Group's insurance companies do not belong to the amalgamation of the cooperative banks, investments made in them have a major impact on capital adequacy calculated in accordance with the capital adequacy regulations for credit institutions.

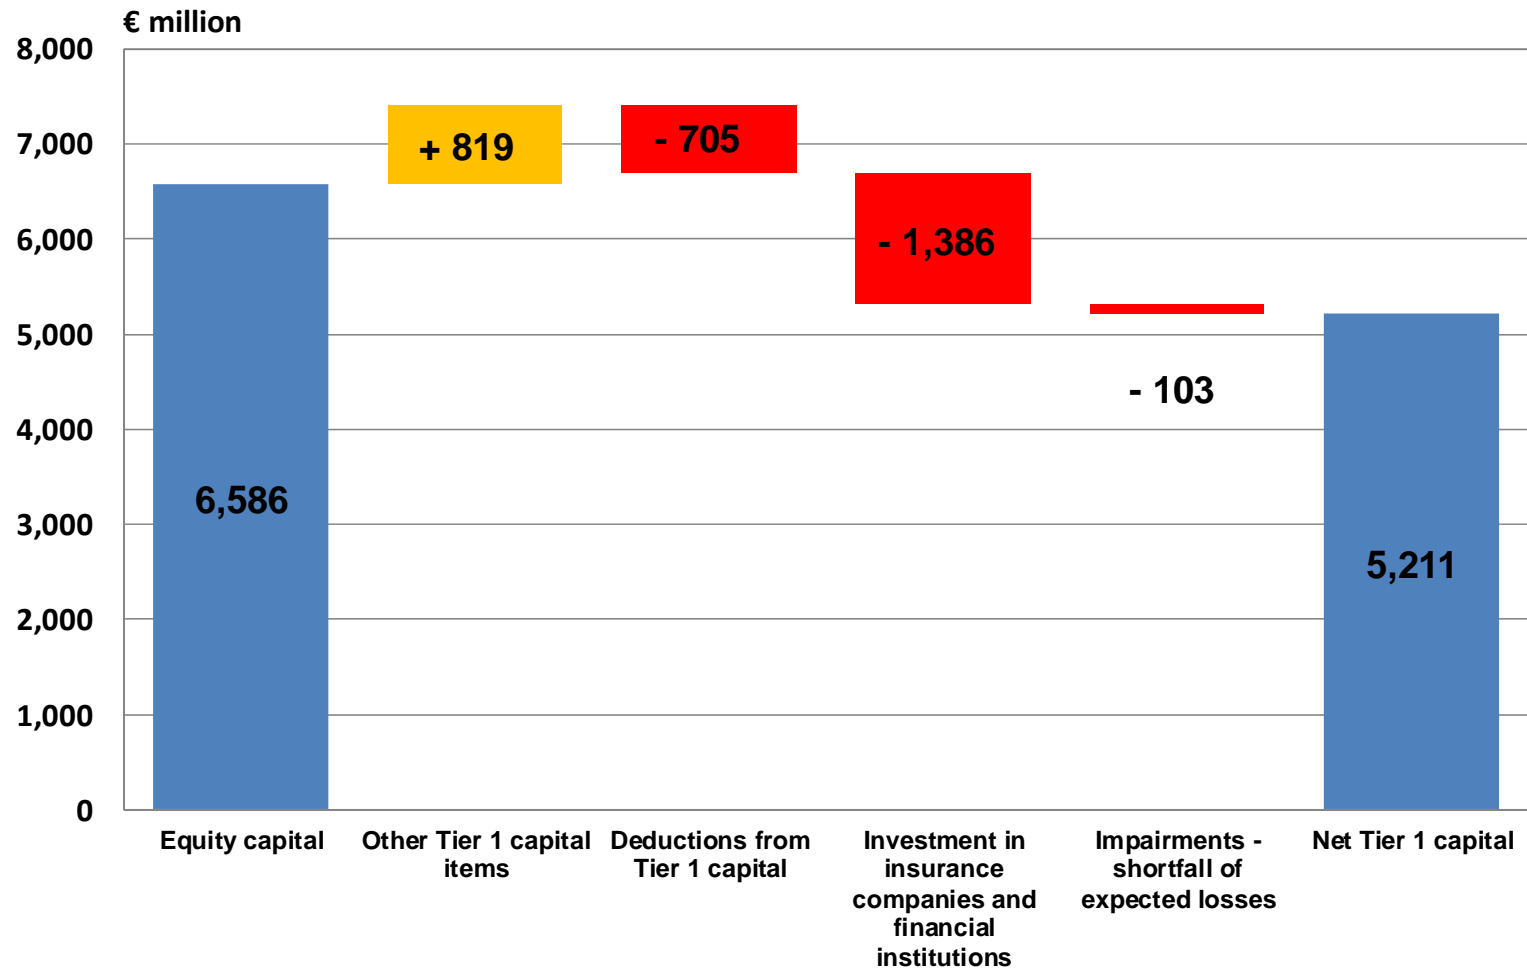

Capital adequacy ratio (under the Act on the Supervision of Financial and Insurance Conglomerates) = OP-Pohjola Group's capital adequacy

- OP-Pohjola Group is a financial and insurance conglomerate, pursuant to the Act on the Supervision of Financial and Insurance Conglomerates. The conglomerate is governed by specific provisions of the capital adequacy requirement.
- OP-Pohjola Group's capital adequacy pursuant to the Act on the Supervision of Financial and Insurance Conglomerates is calculated using the consolidation method, whereby assets included in capital resources but not included in equity capital, under the regulations for the banking or insurance industry, are added to the equity capital in the conglomerate's balance sheet.
 - Capital resources may not include items not available for covering the losses of other companies belonging to the conglomerate.
- The financial and insurance conglomerate's minimum capital requirement consists of the credit institutions' consolidated minimum capital requirement and the insurance companies' joint minimum operating capital.

In view of both capital adequacy requirements,
OP-Pohjola Group's risk-bearing capacity is strong.

Tier 1 Capital under the Act on Credit Institutions 30 June 2011

Total Capital Base under the Act on the Supervision of Financial and Insurance Conglomerates 30 June 2011

The amalgamation of the cooperative banks

Capital Resources and Capital Adequacy

Adopting the Internal Ratings Based Approach

- In its calculation of capital requirement for credit risk, OP-Pohjola Group will phase in the Internal Ratings Based Approach (IRBA).
 - The Internal Ratings Based Approach (IRBA) as already used in the capital adequacy measurement of Pohjola Bank plc's corporate and institutional customers' credit risks.
 - The target for adopting IRBA for all other liabilities is September 2011, but until then the capital requirement for credit risk of such items is calculated using the Standardised Approach.
- The capital requirement for credit risk concerning state and central banks will continue to be calculated using the Standardised Approach.
- The same will apply to market risks.
- The use of the Internal Ratings Based Approach reduces the Group's capital requirement, but makes it more susceptible to market fluctuations.
- Adoption of internal ratings is estimated to improve capital adequacy by 2.5–3.0 percentage points.
