## What is this type of insurance?

Comprehensive motor vehicle insurance is a voluntary insurance intended for the vehicles of businesses, public sector entities, self-employed persons and private individuals. Comprehensive motor vehicle insurance covers loss or damage caused to vehicles. You can choose from among various coverage options on the basis of your needs and the type of your motor vehicle. You can also insure a financed car or van with Comprehensive Motor Vehicle Insurance Plus Financing.

### What is insured?

On the basis of motor vehicle insurance, we will compensate you for damage to your vehicle or its equipment, up to the fair value. Loss or damage is compensated in accordance with the covers included in the insurance policy.

- ✓ Animal insurance – covers loss or damage arising from a collision with an animal.
- ✓ Theft insurance – covers burglary damage and unauthorised use or attempt at such use of a locked motor vehicle. More specific vehicle-specific requirements about locking are included in the insurance terms and conditions. When committed using the vehicle's keys, the insurance event can only be covered if the keys were obtained in connection with burglary or robbery.
- ✓ Theft insurance – covers standard accessories and specific optional accessories kept separate from the vehicle and locked if they have been stolen through burglary.
- ✓ Fire insurance – covers damage caused by uncontained fire or a short circuit in a piece of electrical equipment of the vehicle.
- ✓ Emergency road service insurance – covers expenses arising from towing and for continuing the journey if your trip is interrupted due to the vehicle's fault or damage.
- ✓ Legal expenses insurance – covers legal expenses in disputed civil cases, criminal cases or non-contentious civil cases concerning the ownership, driving and possession of the vehicle.
- Motor vehicle own damage insurance – covers loss or damage caused by collision, running off the road or some other external cause.
- Business interruption insurance – covers lost days caused by own motor vehicle damage, collision with an elk or deer, vandalism, windscreen, and window damage or fire.
- Vandalism insurance – provides compensation if an outsider vandalises your vehicle.
- Glass insurance – covers loss or damage caused by the windscreen or any window being hit by something.
- Financial insurance – covers losses incurred by the seller, lessor, pledgee or holder of a motor vehicle mortgage due to loss of or damage to a vehicle.
- Fraud insurance – covers loss of a motor vehicle rented for public use, caused by fraud or embezzlement.
- Tow insurance – covers expenses arising from the interruption of a journey following a fault or damage of a heavy motor vehicle.
- Consequential loss insurance in case of machinery breakdown – covers the non-use days resulting from a sudden and unforeseeable breakdown of a taxi.
- Maxi Motor Insurance for non-company trailers – covers damage to a trailer owned by someone other than the policyholder and coupled to a lorry.

### What is not insured?

- ✗ damage caused by defective circulation of oil or coolant or the use of the wrong kind of fuel
- ✗ damage caused to fuel or exhaust aftertreatment (adblue) or hydraulics systems or the gear by breakage, contamination or soiling which causes damage to some other part of the object of insurance, for example the engine
- ✗ damage caused by a motor vehicle other than a snowmobile or quad bike that has sunk through the ice on a winter road which is not in public use and does not meet the safety requirements of the road authorities
