## What kind of insurance is this?

Global liability insurance covers bodily injuries or material damage caused to a third party by the insured party's operations or products, as well as financial losses directly connected to these, for which the insured is liable based on the legislation in force. The insurance is valid everywhere in the world.

### What is insured?

- ✓ The insurance covers bodily injuries or material damage caused to a third party by the insured party's operations or products, as well as financial losses directly connected to these, for which the insured is liable based on the legislation in force. Loss or damage is indemnified up to the sum insured entered in the policy document.
- ✓ We will determine your company's liability for the loss on your behalf and negotiate with the claimant.
- ✓ We will appear in court or pay the legal expenses if the claim for damages leads to legal proceedings.

### What is not insured?

- The insurance does not cover, for example,
- ✗ losses to policyholders themselves
  - ✗ loss or damage to a product delivered
  - ✗ loss or damage to property which is held or borrowed by or being used by the policyholder
  - ✗ costs arising from repairing or reperforming work that has been completed incorrectly
  - ✗ loss or damage for which the policyholder is solely responsible on the basis of an agreement.

### Are there any restrictions on cover?

- ! We may reduce compensation or not pay any if you have overlooked the safety regulations or if damage has been caused deliberately or through gross negligence.
- ! Liability insurance always covers less than what the company's indemnification liability is. The insurance will not cover everything your business may be liable for.

## Where is the insurance valid?

- ✓ The insurance is valid everywhere in the world.

## What are my obligations?

- When applying for the policy, you must submit the correct information, such as information on the company's line of business and turnover.
- The insurance company must be informed if any information you submitted when applying for the policy or what is entered in the policy document is not complete or if significant changes have taken place.
- The information requested must be provided when claiming compensation.
- The safety regulations issued by the insurance company about loss prevention and limitation must be followed.

## When and how do I pay?

The insurance premium must be paid by the due date. It can be agreed whether the annual premium is paid in one or several instalments.

## When does the cover start and end?

The insurance is valid earliest from the date when it was applied for. The insurance ends when the policyholder terminates it. The insurance company also has the right to terminate the insurance cover under certain conditions.

## How do I cancel the contract?

You can terminate the insurance or a cover included in it on the online service or by submitting a written notice of termination to the insurance company. You may not terminate the insurance policy by telephone.
